

Debrief with SWE-Detroit!

Spring 2021 STEM webinar series for high schoolers hosted by the Society of Women Engineers – Detroit Section. Click on the underlined words below to learn more about the engineering discipline, company, or college. Click on the registration link to learn more. See you there (virtually)!

- **Deep Dive with Denso** (02/24, 7-8pm EST) – Learn about different types of engineering roles at Denso!
 - **Registration:** <https://forms.gle/NGNiW1vkkFHzh1656>
- **College Considerations** (02/28, 7-8pm EST) – Learn about some of the criteria you might want to consider while developing your college list and ask our student panelists from the University of Michigan (Ann Arbor) and Michigan Technological University any questions that are on your mind!
 - **Registration:** <https://forms.gle/6qSaW1ndxm5JadQY9>
- **Careers in Biomedical/Biological Engineering** (03/15, 6-7pm EST) – Hear about what it is like to be a biological/biomedical engineer from some amazing women from Ball Aerospace & Technologies Corp., Ford Motor Company, and KSQ Therapeutics.
 - **Registration:** <https://forms.gle/EF7Cr6MAyrKf38Ba7>
- **College Resumes and Letters of Recommendation** (03/21, 6-7pm EST) – Learn about how to develop your resume for college applications and scholarships, what letters of recommendation are, and how to ask for them. Student panelists from Lawrence Technological University and Michigan Technological University are excited to answer your questions!
 - **Registration:** <https://forms.gle/z8W974teTXHFbUBF9>
- **Homemade Spa Day!** (03/31, 6-7:30pm EST) – Learn about the chemical, biological/biomedical, and materials engineering that go into making consumer products while making your own bath bomb!
 - **Registration (Closes 03/21):** <https://forms.gle/J29hhFzUZLh6ceqc7>
- **Careers in Chemical Engineering** (04/13, 7-8pm EST) – Hear about what it is like to be a chemical engineer from some awesome female engineers from Toyota, DuPont, and General Motors.
 - **Registration:** <https://forms.gle/cjQupwYL66bp897v9>
- **College Essays** (04/27, 6-7pm EST) – Learn about ways to make your Common Application main and supplemental essays strong. Ask our student panelists from the University of Michigan (Ann Arbor) and Wayne State University any questions that are on your mind!
 - **Registration:** <https://forms.gle/fKkV3DqXX7PFncPP6>
- **College Financial Aid and the FAFSA** (05/06 7-8pm EST) – Learn about different types of financial aid, how to apply for them, and how to apply for college scholarships. Ask our college student panelist from the University of Michigan (Ann Arbor), and parent panelists any questions!
 - **Registration:** <https://forms.gle/vuv2Uw5nWoYz6gzT7>
- **Lending a Helping Hand – An Engineering Design Challenge** (05/15, 5:30-7pm EST) – We'll learn about the engineering design process while designing and prototyping your own prosthetic hand!
 - **Registration (Closes 05/05):** <https://forms.gle/maQJj9TkYukPtR9P9>

Please email Haley Antoine (haleylantoine@gmail.com) with any questions!
